

Dear volleyball enthusiasts,

Hereby we would like to invite you, your association and fellow volleyball enthusiasts to attend and participate in the EuroGames 2022 *Love to Move* in Nijmegen from 27 July to 30 July 2022.

The EuroGames are an annual *inclusive* European sports event; the edition in Nijmegen offers 19 different sports and expects around 2,000 participants of all levels, from beginner to advanced, to attend. For more information on this amazing meeting between sport fans, please visit www.eurogames2022.eu. All athletes are welcome! The EuroGames are an outstanding example of an event for the LHBTIQ+ community and is thoroughly supported by the European Gay and Lesbian Sports Federation in particular.

The volleyball tournament is organized by gayvolleybal club Keizer Karel and the Nijmeegese volleyball clubs Pegasus, Vocasa and NSVV Heyendaal. This tournament will take place on Friday 29 and Saturday 30 July 2022 at the Gymnasium in Nijmegen, which is part of the Radboud University campus. You can find the tournament details, costs and schedule on www.eurogames2022.eu/sports/volleybal.

We would be incredibly honored and pleased to meet you and your fellow athletes in Nijmegen. Furthermore, numerous fun side events will be organized during the sports tournament. Most of them in the beautiful, historical city centre of Nijmegen.

Prior to the EuroGames you might want to enjoy the festivities of/or take part in the 104th 4Days Marches, the world's largest walking achievement event (www.4daagse.nl). Or you can travel to Amsterdam after the EuroGames, to attend the Pride Amsterdam from 30 July to 7 August (<https://pride.amsterdam/>).

To ensure a great event, we wish to invite as many volleyball players as possible from all over Europe. Will you help us to reach all the volleyball players we can? If so, please share this e-mail with as many athletes, umpires and others associated with volleyball as you can.

You can register via the website and also find more information there. We will keep you informed.

Met vriendelijke groet,
With kind regards,

Adrie Luykx,
Coordinator Volleyball EuroGames 2022 Nijmegen
